RFP NUMBER	: CORPSERV/01PESD/03/2023
COMPANY REGISTRATION NUMBER	: 2016/468452/07
CLOSING DATE	: 08 MAY 2023

1. Purpose

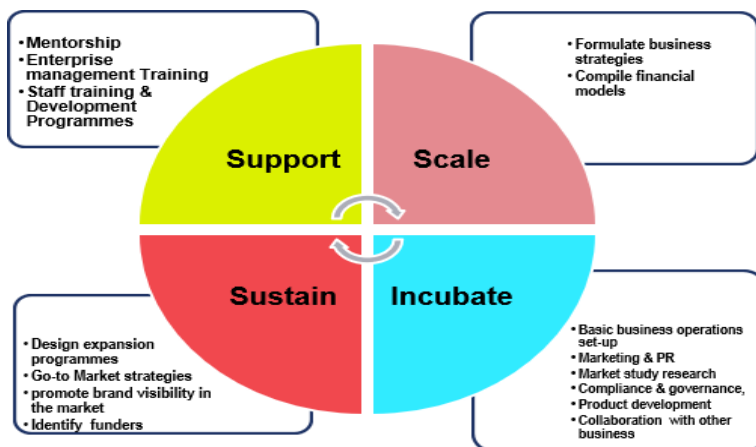

The purpose of this document is to invite interested vendors to provide services to facilitate Enterprise and Supplier Development (ESD) offerings/service, which is a strategic business pillar for UNISA Enterprise. This will be offered to external companies within the public and private sector space. The service will be offered in partnership with UNISA Enterprise.

2. Background

UNISA Enterprise is an entity of UNISA that was established in 2017 with the objective of the commercialise UNISA assets for revenue generation. This commercialisation takes the form of finding ready customers, partnering, or building new businesses. Since inception, UNISA Enterprise has formed several high value partnerships with various stakeholders. The entity has a small core team of 10 people who focus mainly of business development and head office functions. The entity has recently compiled a turnaround strategy to position itself for profitability; thus, there is a need for a Business Intelligence Analysis to be conducted as part of implementing the strategy. This will assist the business to identify immediate and long-term opportunities and identify systems, create products and tools for in-house use by UNISA Enterprise. UNISA Enterprise now places its focus on four strategic pillars, namely:

- Research & Innovation,
- Consulting Services,
- Property,
- University Retail and Commercial Ventures.

The strategy indicates the importance of implementing ESD offerings in the broader market. It is in this background that UE wants to capacitate itself with various specialists. The UE ESD offering includes the following offerings:

3. Scope of Service

Specialists are invited to provide excellent services to UNISA Enterprise to drive the ESD pillar of the business strategy.
