C_THR12_67 - SAP Certified Application Associate - SAP HCM with ERP 6.0 EHP7

Description

The "SAP Certified Application Associate - SAP HCM with ERP 6.0 EHP7" certification exam verifies that the candidate possesses basic knowledge in the area of SAP Human Capital Management. This certificate proves that the candidate has the required understanding within this consultant profile of the HCM solution, and can implement this knowledge practically in projects under guidance of an experienced consultant. It is recommended as an entry-level qualification to allow consultants to get acquainted with the fundamentals of SAP HCM.

Notes

- To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions will test your ability to apply the knowledge you have gained in training.
- You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).
