

The Green Economy Business Training Programme

Powered by:

Passionate about driving a sustainable enterprise within the green sector?

Join UNISA Enterprise for a unique program in the green economy. Gain vital skills in business, finance, and tech through virtual and physical learning. Empower yourself to thrive in sustainable business with comprehensive training. Plus, selected participants get a chance to receive a cash injection of R20,000! Take the first step towards your entrepreneurial dreams and make a difference in the green economy.

Who can Apply?

- We are recruiting 50 graduates in and around Polokwane.
- Targeting individuals with small businesses or business ideas needing support in the following sections: agriculture, water, waste management, energy, mining, and construction.
- Applicants must be aged 21 to 35 years.
- Applicants must hold a degree from any recognized higher education institution (universities, TVETs, private colleges).

Benefits:

- The top 20 startups from the program will each be awarded R20,000 at the program's conclusion, intended for either launching or expanding their businesses.
- Access to accredited Unisa courses focusing on New Business Ventures.
- Online incubation and internship opportunities post-program
- Access to training on business systems and artificial intelligence
- Online incubation post-program.
- Resources for growth.
- Business Funding opportunities.
- Market insights.
